CONSENT ORDER

This matter was opened before the New Jersey State Board of Chiropractic Examiners (hereinafter "the Board"), based upon allegations that Dr. Bednar's patient records failed to document the rationale for diagnostic tests and/or surgery, failed to record test results, and the care and treatment of patients.

Respondent appeared with counsel, Robert H. Corbin, Esq., before the Preliminary Investigation Committee of the Board (hereinafter "the Committee") on October 12, 2000. Based on the patient records that were reviewed and the testimony of Dr. Bednar, the Board found that Dr. Bednar violated N.J.A.C. 13:44E-2.2(a) because her patient records failed to document the rationale for diagnostic tests, failed to disclose history necessary to determine appropriate treatment, failed to record an application of test results and failed to describe the care and treatment of the patients.

The respondent seeks to voluntarily retire her license to practice chiropractic in the State of New Jersey, in accordance with the terms of this Order. The Board finding that this disposition of the matter is adequately protective of the public, and other good cause appearing;

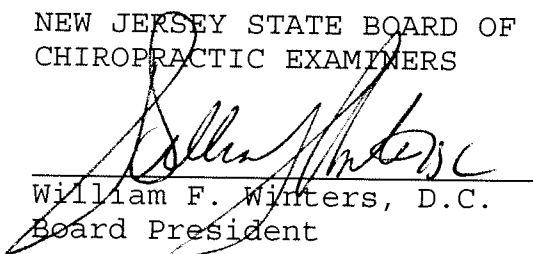

IT IS THEREFORE ON THIS 11 DAY OF July, 2001
ORDERED:

1. Respondent is hereby granted leave and shall surrender her license to practice chiropractic in the State of New Jersey, thirty (30) days from the filing of this order. She shall comply with the Directives concerning licensees who have surrendered a chiropractic license which are attached hereto and made a part hereof.

2. Within fourteen (45) days of the filing of this order, respondent shall return her original New Jersey license and current

biennial registration to the New Jersey State Board of Chiropractic
